

BlueCross BlueShield
of Illinois

Your Virtual Medicine Cabinet is in the BCBSIL App

Access Your Benefits and Save on Prescriptions

The Blue Cross and Blue Shield of Illinois mobile app lets you manage care across your BCBSIL benefits — all in one place.

How It Works

With the BCBSIL App, you can find in-network care, share your member ID with your doctor's office or pharmacy, check coverage, view your claims status and history, and more. You'll also have access to a suite of pharmacy features that let you:

- Compare drug costs at different pharmacies
- Find available lower-cost drug options
- Access information about your prescription drugs, including medication details, pre-approvals and refills
- Get reminders when it's time to refill a prescription
- Search for and contact in-network pharmacies
- Check on clinical review status and details
- Chat with a pharmacy customer service representative

**Scan a QR code to
download the free app.**

Use your **Blue Access for
MembersSM** login, or create
an account to get started.

Not all features are available for all plans
