BIOFLEX BENEFITS

About BioFlex

The BioFlex plan provides you with peace of mind by offering a trusted, independent health and medical partner, **Amaze Health**, that is available 24/7/365. Amaze provides virtual, on-demand, concierge-style primary and urgent medical care and will help you handle billing issues and coordinate local medical care if you need it.

BioFlex also provides an accident coverage plan that provides payment, independent of any other insurance, in case you have an accident, and includes low-cost and no-cost prescriptions through **Misio Rx**.

You receive these benefits and a bigger paycheck thanks to a provision in the Affordable Care Act. BioFlex handles all the details while you receive benefits.

All eligible employees (increased net pay on paycheck is the qualifier) are automatically enrolled and must **OPT OUT** if they are not interested. You can learn more about your BioFlex plan and all it has to offer by visiting amazehealth.com/BioFlex-Benefits or connecting through the QR code.
